Very useful	Useful
68%	32%

What especially criticize?

- None
- Yes
- No. It is very useful
- Period compaction.
- I do not know
- If the number of workshop days is longer but the workshop hours are shorter, it is better
- No. It is good
- Interest in astronomy
- There wasn't any problems during courses
- There was no problem, it was great
- Nothing
- Interest in astronomy and teamwork
- Period compaction
- I have no criticism
- None
- Nothing. Everything was great.
- Increase the number of workshop days.

What you would value more?

- Accountability of teachers and hosts. Practical work
- Progress and learn more about the whole space
- The workshop was excellent
- None
- The course good
- Observation

- Everything is great
- In my point of view the lectures by far were the best part
- Thank you for your useful workshop
- It was excellent
- Very well. The course is good
- Go to the observatory and observe the night sky.
- Workshops

Other observations?

- Useful
- Practical work
- The training equipment made was useful
- Very well
- Very good
- Nothing.
- The classes were useful and effective.
- Thank you to the teachers
