Very well	Well	Poor
33%	50%	17%

What is your overall opinion of the course related to:

a) Exchanges and contacts with other participants?

Very interesting	Interesting	Uninteresting
33%	50%	17%

b) What is your opinion about the usefulness of the course to their teaching?

Very useful	Useful
67%	33%

What especially criticize?

- Lessons start later than specified time, there was too much delay
- None.
- Working groups can be added
- Translation
- Participants could be given the opportunity to join other groups' meetings so that they could make up for missed studies

What you would value more?

- Time
- More hands on experiments.
- Workshops.
- Observation
- Specially designed instruments for observation and measurements

Other observations?

- Thank you for the lessons
- Since workshops catch great interest of the teachers, more workshops may be added in the courses.
- This much. Thank you
