

Conclusions of NASE Course of Astrophysics

Bucharest, Romania, January 2023

In the closing session, participants expressed their opinions that can be considered a summary of the course:

- Thank you for organizing the course "Introduction to Astronomy"
- The materials on the platform are particularly useful, I will try to integrate them into physics classes
- Thank you very much for what you have presented to us and know that I really enjoyed the information I received in the induction
- Thank you very much for the opportunity to participate in this course where I came away with a lot of information and ideas that I will apply in the future in the classroom.
