

The Network for Astronomy School Education, NASE¹, has the pleasure to invite you to the 3er Event Bridge between Cultures. The purpose of this encounter is to celebrate the International Day of Light with the project “Light, cameras and Life” from different approaches related to the Astrobiology looking for Micrometeorites.

Date: March 19th 2023

Time: from 12:00 to 15: 00 CET or 11:00 to 14:00 UTC

Place: ITeDA Zoom video conference room:

<https://us06web.zoom.us/j/5287419202>

Meeting ID: 528 741 9202

and [NASE-YouTube channel](#)

¹ NASE, www.naseprogram.org

12:00 – 12: 15 **Welcome 3er Bridge between Cultures, Rosa M. Ros, NASE, Spain**

12:15 – 12:30 **Introduction to Astrobiolog, Beatriz García, NASE, Argentina**

12:30 – 13:00 **ROUND TABLE ON ASTROBIOLOGY**

CHINA: Dongni Chen

INDIA: Sameer Sachdeva

INDONESIA: Hakim L. Malasan

PORTUGAL, TOME, PRINCIPE, MADAGASCAR: José Dantas

13:00- 13:15 **Looking for Micrometeoritos, Ricardo Moreno, NASE, Spain**

13:10-13:15 **FILM SIMULATING EDIBLE MICROMETEORITES**

13:15 – 13:45 **ROUND TABLE ON LOOKING FOR MICROMETEORITES**

ETHIOPIA: Birul Terefe

EGYPT: Somaya Saad

TANZANIA: Noorali Jiwaji

BULGARIA: Ivo Jokins

ROMANIA: Corina Toma

13:45 – 14:00 **Light, Cameras and Life project, Margarita Metaxa, NASE, Greece**

14:00 - 14:15 **Campo del Cielo meteorites: indigenous peoples, colonialism and smuggling, Alejandro López, CONICET, Argentina**

14:15-14:45 **ROUND TABLE ON METEORITES**

PARAGUAY: José M. Gómez

REP. DOMINICANA: Karls Peña

COLOMBIA: Angela P. Pérez

MEXICO: Valeria Buenrostro.

14:45 - 15:00 **Panel Discussion 3er Bridge between Cultures**
