Very useful	Useful
60%	40%

What especially criticize?

- Few participants attend classes
- Nothing
- Very nice
- Presentation méthode

What would value more?

- I would like to increase the courses every two or five months instead of a year
- More observations
- 10/10
- Spectrometry
- Webinars and Working Group
- Amazing

Other observations (it is important to have them!)

- It is the work of promoting the courses before the launch through short videos, so that the number of viewers increases, and that people understand what astronomy is....
- Thank you
