Very Well	
100%	

Very Well

What especially criticize?

- Rien.
- Pas de critique

What you would value more?

- Les activités avec les outils abordables que je peux réaliser avec mes élèves et enrichissement de mon prochain club astronomie.
- Les connaissances et la formation qui me permettent de répondre à plusieurs questions posées par mes élèves.

Other Observations

- Je souhaite ardemment que le plus grand nombre enseignants tire profit de cette formation exceptionnelle. Elle représente une opportunité inestimable pour améliorer; enseignement de cette partie cruciale du programme.; encourage vivement la création de clubs astronomie au sein de nos établissements scolaires, et ce, dans toutes les régions de notre pays.
- Je tiens à exprimer ma profonde gratitude pour votre dévouement à enrichir nos connaissances en astronomie, tant au niveau international que, plus particulièrement, en Tunisie. Votre contribution est précieuse et inspirante.
