Very well	Well
75%	25%

What about duration?

Very well
100%

What do you think of the organization of the day (and night) in four different types of activities: conferences, working groups, workshops, observations?

Very well
100%

What kind of activities have preferred?

All	Workshops
50%	50%

What kind of activities you like less?

None
100%

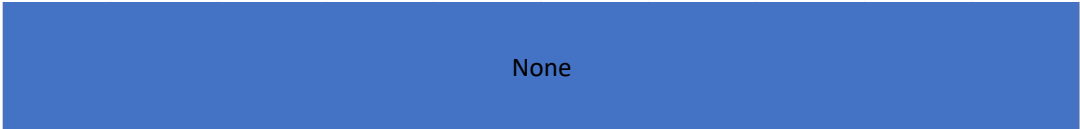

The subjects, have met your expectations?

Very well
100%

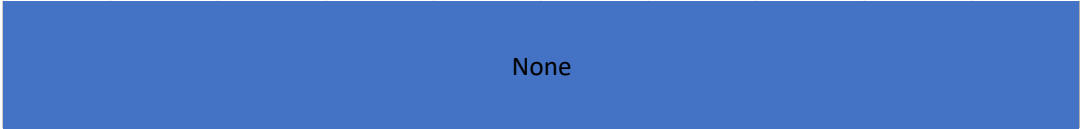

What would you delete?

None
100%

What would you add?

None
100%

The level of activities has been:

Satisfactory	Too high
50%	50%

What is your opinion about the teaching methods of teachers?

Very well
100%

Very well

What is your opinion about NASE web?

Very well
100%

Very well

What is your opinion about coordination between different activities?

Very well
100%

Very well

What is your overall opinion of the course related to:

a) Exchanges and contacts with other participants?

Very Interesting
100%

Very Interesting

b) What is your opinion about the usefulness of the course to their teaching?

Very useful
100%

Very useful

c) What is your opinion about the astronomical visit?

Very Well
100%

What especially criticize?

- Nada
- Como en los encuentros anteriores, es una pena que no hayan asistido mas docentes, especialmente si se tiene en cuenta que hubo una invitación especial para sumarse, aun si no se habian hecho los modulos anteriores.
- No. No tengo nada para criticar

What you would value more?

- El nivel de los contenidos
- Siendo profesora de fisica, poder ver actividades en temas de biología y química y como se relaciona la astronomía con esos espacios curriculares, me resulta muy interesante.
- Valoro todo lo que se dicta en el curso.
- Todo

Other Observations

- Es bueno todo el material de apoyo: gráficas, planos, teoría, modelos...
